

GX Group	Environmental Policy Statement			Rev 1	Pg 1 of 1
Issued by	NB	date	9/3/2021	approved	MH

GX Group Limited recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the provision of product engineering, design and other related services. It is the Organisation's declared policy to operate with and to maintain good relations with all regulatory bodies.

Scope

The provision of product engineering, design and other related services

The management is committed to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

- a) Comply with all applicable legislation
- b) Monitor, measure and review the environmental effects of the Organisation's activities
- c) Training of employees in environmental issues
- d) Minimise the production of waste
- e) Minimise material wastage
- f) Minimise energy wastage
- g) Promote the use of recyclable and renewable materials
- h) Reduce and/or limit the production of pollutants to water, land and air
- i) Control noise emissions from operations
- j) Minimise the risk to the general public and employees from operations and activities undertaken by the Organisation.
- k) Communicate with staff and other interested parties on all of the above

This Policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.

The policy review date is 9/3/2022

Signed: 

Managing Director Mark Helmich
